# Walking Tour Makrinitza & Portaria

Two of the most famous villages of Pelion are Makrinitza and Portaria, approx. 14 km from the City of Volos.

Highlights of the area: the panoramic views of Pagasitikos Gulf, the Byzantine Museum, the walk through a primeval path with a wonderful view, the waterfall, and the watermill of "Maga", where you will have a small picnic.

# Hiking in Mont. Pelion

A rejuvenated activity to explore Mont. Pelion  
and enjoy nature and the peace  
Mountain offers.

Hiking in Pelion offers majestic views of the  
region and hidden gems for exploring, such as  
waterfalls and caves.

# City Bike Tour

A prominent characteristic of Volos is its convenient bike path that spans almost the entire city. With the port extending from one end to the other, cycling provides the ideal way to explore it thoroughly. Our bike tour begins at the hotel and includes visits to the Athanasakeio Museum and main historical buildings of Volos city. Last stop to local "tsipouradiko", where you can taste a variety of tapas so called "meze".

# SUP at Pagasitikos Gulf

Only 850 meters away from Domotel Xenia Volos, you'll find the NOVA Nautical Center facilities, known as the starting point for a captivating SUP tour along the stunning Volos coastline.

Reinvigorate yourself during your vacation and venture out to explore the area. The qualified guides, certified by the British Canoeing Union, along with top-notch equipment, ensure a high-standard and enjoyable activity.

# Rock Climbing at Agios Onoufrios

Rock climbing is an exciting sport that sharpens the mind and body, rewarding you at the end of the day with amazing views.

Rocky formations are scattered between sea and mountain.

Even if you are a beginner with an adventurous spirit, you can still climb this rock at Agios Onoufrios, in the suburb of the City of Volos.

# Pelion Little Train - Milies - Botanical paths - Cave of Centaur Chiron

Travel by the Pelion Train to Milies. A hike, with a certified herbalist, gives you a historical background of the village, while afterward, you visit the Cave of the Mythical Centaur Chironas. At Milies village, you may visit the Library and the Church Taxiarchon, both with a great history.

# Kayaking at Damoucharis, the famous “MAMMA MIA” beach

Explore the unspoiled East Pelion Coast by Kayaking. The starting point will be Damouchari's old harbor. The first stop is about 1.5km at a secluded rocky bay with natural water springs. Your guide will present you with the history of the place. You will taste the natural spring water and swim in the crystal waters. The next highlight is the big sea cave at Hidden School Bay. This cave was used, as a so-called, “Hidden School” during the Ottoman period. The second stop is Fakistra Beach.

# Guided tour in Lafkos

Guided tour in Lafkos, the traditional village of South Pelion. Hiking in the cobbled (kalderimi) streets around the village to find and recognize the healing and edible herbs of Pelion.

# Wine & Food Tasting in an organic Winery

Indulge in a leisurely tour of South Pelion. Your guide, a certified herbalist, will lead you on a captivating exploration of Lafkos, the outstanding village in South Pelion.

# Olive Testing in South Pelion

The whole experience unfolds in a beautiful olive grove with a seating area made of reusable wooden pallets, perfectly in harmony with the natural environment, in the Dougani plot of the Patistis Olive Groves, overlooking the Pagasitikos Gulf and Kalamos seaside in harmony with the natural environment, in the Dougani plot of the Patistis Olive Groves, overlooking the Pagasitikos Gulf and Kalamos seaside.

# Canyoning in Tsagarada. Enjoy the Canyon of Centaurs

The Canyon of the Centaurs tour reveals the hidden paradise of these mythical creatures, offering a delightful and suitable experience for discovering this extraordinary activity. Canyoning in Pelion distinguishes itself with its lush vegetation, the picturesque beaches that each canyon leads to, and, of course, the legendary tales of the Centaurs.

# Scuba Diving, Free Diving, Snorkeling from the beach of Domotel Xenia Volos

Discover the thrill of breathing underwater and explore the enchanting world beneath the surface. Start right from the hotel's beach, learn about the gear, enjoy the freedom of underwater swimming, and soak in the beauty of the deep blue waters.

# Horse riding, Milies

Start your horseback ride at a scenic farm near Milies village. After a brief introduction from your guide, explore nature's beauty, passing through plane trees along the Belegrinos River to reach the beach near Kala Nera. The return journey follows a different route, winding through olive trees.

# Tsipouradika: A Century of Tradition and Global Recognition

Delve into the profound history of Tsipouradika, dating back to the early 20th century. Originally conceived as communal meeting spots, these establishments have transformed into a global institution, symbolizing shared moments and the pleasure derived from Tsipouro.

# Daily sailing cruise to Trikeri or Skiathos Island

Enjoy a full day on a sailing boat, departing from Volos port, just 1 km far from Domotel Xenia Hotel. Swim in clear waters and explore Paleo Trikeri , visit a famous monastery and taste fresh fish in authentic tavernas. An all-day sailing experience which promises lots of dives into crystal waters, sunbathing and sailing.

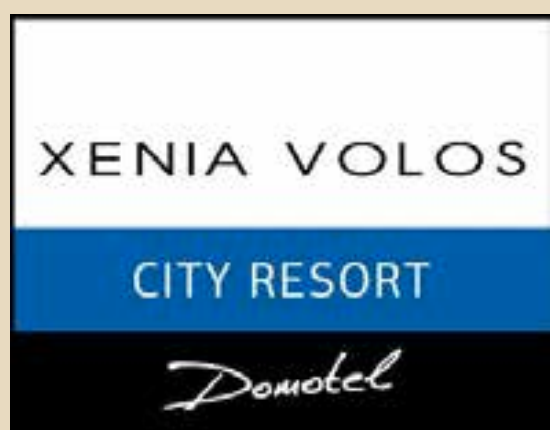

# Speed Boat Luxury Cruises To Pagasitikos & Sporades Islands

If you are a speed lover and want to explore stunning Isl. Sporades Complex you can rent a luxury speed boat for a lifetime experience.
